Pre Youth Survey Script

Today we are going to fill in a survey to learn more about you. This is not a test; we just want to learn more about you and your interests. The survey will ask you questions about your activities, feelings, and opinions. The information will help us develop the best program possible for YOU! Your answers will be completely private and your name will not go on the answer sheet. Your answers will only be reported as part of a bigger group and will not reflect your individual answers. Please answer all of the questions to the best of your ability. Be as honest as possible. You will not get a grade for your answers nor will anyone discuss your answers with you unless you ask them to.
