

Tips for Special Assistance

Determine whether you need special assistance with your youth surveys?

Helpful
Tips!

Translation:

- ✓ Print survey and translate into necessary language(s)
- ✓ Ensure numbers, headings, and meaning of questions remain consistent with English version
- ✓ Enter data directly into online English version once youth complete translated survey

Youth Reading Level:

- ✓ Provide additional support to youth who have difficulty reading and comprehending questions (e.g., ESL/ELL youth, youth reading below grade level)
- ✓ Consider reading question aloud to small groups or individuals
