

Sample Youth Survey Administration Script

Youth Permission & Consent

Today we are going to fill in a survey to **learn more about you and your experience** in this program. This is **not a test**; we just want to learn more about you and your interests. The survey will ask you questions about your activities, feelings, and opinions about this program. The information will **help us to improve the program** now and next time for youth like YOU! Your answers will be **confidential**. Please answer all of the questions to the best of your ability. Be as honest as possible. You will not get a grade for your answers and **your responses will not affect your ability to participate in this program.**
